

## Bar Menu

*The great British bar meal. It's a brilliant invention when you think about it, isn't it. A treat you can enjoy on any day, in any weather, with anyone, within reason, indoors or out. And here, we've got everything from a nibble to a gigantic bite to offer you, however big your eyes are in relation to your tummy. Our bread is crusty, our beef is rare and local, our cheddar is tangy, our fish is delicate and succulent, our mussels are steamy and creamy, our omelettes are... oh we could go on all day. *ps. We think we've been a bit unfair to our omelettes by cutting off on them in our enthusiastic chatter at the top of this menu. You see, Marcus worked in France for years (he loves being asked about it, by the way) so it's safe to say he knows his way round an omelette. For that reason, we'd like to finish by saying a massive hurrah for the great Anglo-French Crown Inn omelette. HURRAH!!*
